

# Required Update: Browser Support for Cost Estimator

---

---

**July 17, 2017**

Effective October 1, 2017, the cost estimator (also known as 360Value<sup>®</sup>) will be supported by Internet Explorer<sup>®</sup> (IE) 11 only.

*Note:* Browsers configured with IE11 *Compatibility View* will not be supported by 360Value.

Users accessing the cost estimator from an unsupported browser now receive the following message:

360Value's system requirements have recently been updated. 360Value now supports browsers known as *Evergreen* browsers, which receive automatic updates. 360Value does not support IE11 in Compatibility View (compatibility mode).

Please note that Internet Explorer 7, 8, 9, and 10 are no longer receiving updates from Microsoft to address security vulnerabilities.

For information about updating your IE browser and verifying your system settings, contact your IT administrator, visit [Microsoft<sup>®</sup>'s Support page](#), or log into the Agents site, and refer to FAQ Answer IDs [760](#) and [3402](#).
