

Enhancement to myPolicy: Submit Claims

June 25, 2018

Citizens' new policyholder self-service tool, [myPolicy](#), has been enhanced with a new feature: policyholders now can file a claim directly online.

How to File a Claim

Registered policyholders can log into myPolicy and file a claim by choosing **Claims** in the light blue menu bar, then selecting **File a Claim**

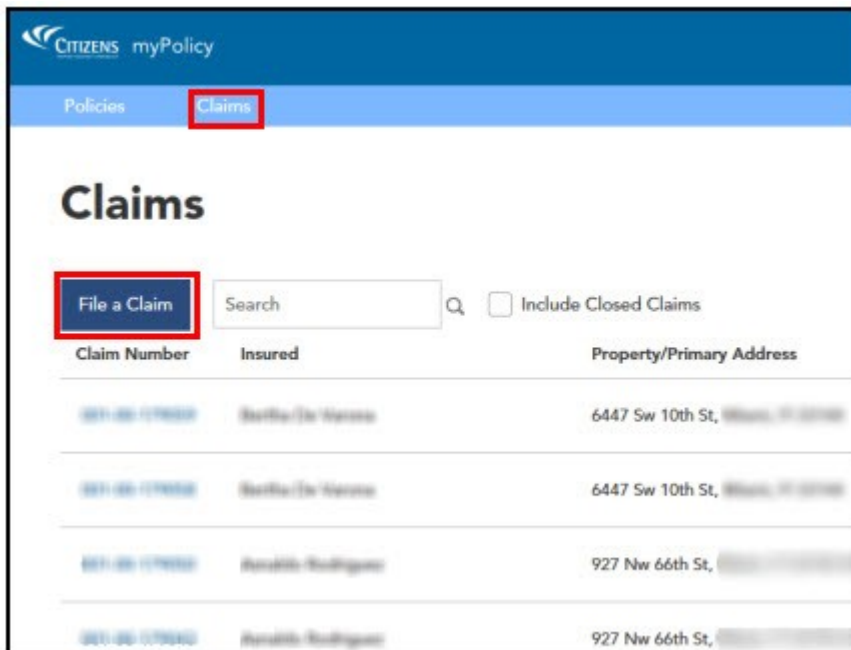

Figure 1: myPolicy Claims screen

Policyholders should enter the following information:

- Date of loss
- Cause of loss

- The cause of loss cannot be edited after the policyholder proceeds to the next screen. If the cause of loss needs to be edited, the policyholder must cancel the claim by clicking **Cancel**, and then file a new claim.
- Details of the loss
- Preferred contact information for the policyholder

Once the claim is submitted, policyholders can select **Print** on the *Confirmation* screen to keep a copy for their records.

As a reminder, policyholders also can view information about any open or closed claim by selecting **Claims** in the light blue menu bar. The following information is available:

- Claim status
- Adjuster contact information
- Claim check information details
