

# VENDOR UPDATE

CLAIMS COMMITTEE MEETING JUNE 16, 2016  
BOARD OF GOVERNORS MEETING JUNE 22, 2016

---

## **EXECUTIVE SUMMARY**

---

### **Catastrophe Post Event Imagery**

Citizens utilizes Pictometry Aerial Imaging provided by Eagleview for claims processing and review of orthographic images in geographic areas of the state that include Citizens policies in force.

Pictometry Rapid Access provides post-landfall access to orthographic images within a specific geographic region; including highly accurate photos that can be used for forensic application for claims processing. This service allows detailed review of orthographic images from post-event catalogs to ensure efficient review of risk damages and efficient processing of claim resolution for the customer.

It is anticipated that this single source contract will have a three (3) year term with no renewals. Estimated cost of this contract is not to exceed \$112,000.

The cost for these services is included in the approved 2016 Annual Operating Budget and paid as a Loss Adjusting Expense (LAE).

## **RECOMMENDATION**

---

Staff recommends that Citizens' Claims Committee approve and recommend the Board to:

- a) Approve the recommended award and resulting contract, including renewal periods, for Single Source Contract 16-2001 to Pictometry International, as set forth in this Action Item for Catastrophe Post Event Imagery;
- b) Authorize staff to take any appropriate or necessary actions consistent with this Action Item; and
- c) Approve this Action Item not to exceed \$112,000.
