Board of Governors Meeting, December 7, 2022

Claims Legal Services

Topic

This Consent Item seeks Board approval for \$50,000,000 in additional spend authority under the Claims Legal Services contracts.

History

Citizens regularly engages outside law firms to provide representation in claims-related pre-suit and litigation matters. Citizens currently utilizes a panel comprised of ninety-one (91) outside defense firms to provide legal representation in the following four (4) claims-related Service Areas:

- First Party Property,
- Third Party Liability,
- Subrogation, and
- Appeals.

This panel of law firms was competitively procured via RFP 21-0012 and approved by the Board on December 15, 2021. At that time, Citizens requested \$500,000,000 in spend authority based on the estimated total contract amount for all ninety-one (91) contracts over the initial five (5) year term. The Board voted on December 15, 2021 to approve \$50,000,000 in initial authorized spend. This approval included a request that Staff provide ongoing litigation updates as justification for additional spend requests/authorization, and to facilitate discussion and seek solutions to the ongoing litigation concerns. At the July 13, 2022 Board of Governors meeting, an additional \$50,000,000 was approved through a Consent Item, bringing the total Board approved amount to \$100,000,000.

As of October 1, 2022, Citizens has incurred approximately \$60,000,000 in spend under the approved Claims Legal Services contracts and forecasts that this number will likely exceed the \$100,000,000 in authorized spend prior to the March 2023 Board of Governor's meeting. Citizens continues to see claims-related litigation increase in terms of both new and total pending lawsuits. Since July 2022, the number of pending claims-related lawsuits has risen almost 2,000 to 20,400, averaging almost 1,200 new lawsuits per month. In addition to pending lawsuits, Citizens' policy-in-force count continues to rise, with PIF count totaling 1,071,850 as of September 30, 2022.

With the ongoing increases in (1) new claims-related litigation, (2) overall amount of pending claims-related litigation (3) policy-in-force counts, and (4) anticipated rise in litigation stemming from Hurricane Ian, Citizens anticipates that spend under the Claims Legal Services contracts will not abate for the foreseeable future. In addition to these factors, it should be noted that the Claims Legal Services contracts procured under RFP 21-0012 allow for increased rates for panel counsel beginning in February 2025.

A summary of the monthly contract spend to date is provided below:
