

Citizens is committed to responding quickly to disasters and providing local services and support to policyholders in a crisis. To help make this process easier, Citizens has made inquiries to mobile home manufacturers and retailers who are making discounts and other incentives available for mobile or manufactured home purchases for those affected by Hurricane Ian.

Each retailer listed below has programs available as part of Hurricane Ian recovery efforts. Reach out to them directly to view inventory, pricing and availability.

The retailer information does not represent a comprehensive list of mobile home dealers/retailers or potential offers for purchase of mobile homes. It is provided as a courtesy and does not constitute a limitation in any manner on your options for purchasing a new mobile or manufactured home.
