

Hurricane Deductible

Your Hurricane deductible is an out-of-pocket expense you are responsible for, and must be exceeded, before Citizens will pay for covered damage under your policy. The Hurricane deductible is generally a higher dollar amount than other policy deductibles and is based on a percentage of your Coverage A. Homes with Coverage A limits less than \$100,000 may have a set dollar amount Hurricane deductible.

Hurricane deductibles are applied on a calendar-year basis (i.e., January through December). During a busy hurricane season, you only will be required to pay your Hurricane deductible once – even if you make repairs from multiple named storms. Report claims and keep receipts for hurricane repairs even if you don't reach your deductible from one storm. Any amount you pay applies toward your calendar-year Hurricane deductible, reducing your cost for any additional storms that year.

Once you've met your Hurricane deductible, any further hurricane loss in the same year is addressed by your policy's *All Other Perils* deductible.

Examples of Hurricane Deductible Calculations for a Home Insured for \$300,000 (Coverage A)

Percentage	Amount
2%	\$6,000
5%	\$15,000
10%	\$30,000
