Call Meeting to Order

Barbara Walker: Welcome to Citizens' March 29, 2023, Florida Market Assistance Plan Board of Governors Meeting webinar hosted through the Zoom platform. This is a publicly noticed meeting in the Florida Administrative Register to convene immediately following Citizens' Board of Governors Meeting. Those in attendance through the public link are automatically in listen only mode. Citizens' meetings are recorded with transcribed minutes available on our website.

I will proceed with the official roll call. **Chairman Beruff, Governor Becksmith, Governor Butts, Governor Hasner, Governor Knight, Governor Leznoff, Governor Lydecker, Governor Telemaco, Governor Thomas.** Chairman, you have a quorum.

Chairman Beruff: Alright Ms. Montero, go ahead.

Kelly Booten: Good morning. As you all know, the Florida Market Assistance Plan (FMAP) is a program authorized by the Florida Legislature to help property owners find and obtain private market coverage and not come to Citizens. There is an Annual Report due to the Office of Insurance Regulation (OIR) every year that must be submitted by June 30th and must be approved by the board before we submit it. Since this is a meeting, ahead of June, we're getting it to you timely. The report includes information about the referral programs, the consumer requests; there's a number of different data elements in here. As you can see, it's fairly consistent with prior years as far as the number of traffic that moves through that program and also, you know, where the requests are coming from in South Florida, predominantly, homeowner, type of business, older homes, all of the things that you typically see in Citizens' book tend to travel through FMAP as well. I will entertain any questions and if you approve this, we will send it to the office (OIR).

Chairman Beruff: Any questions? (silence) I'll entertain a motion to approve.

A motion was made and seconded to approve the FMAP Annual Report. All were in favor. Motion carried.

Meeting adjourned.
