Call Meeting to Order

Barbara Walker: Welcome to Citizens' July 12, 2023, Florida Market Assistance Plan Board of Governors Meeting webinar hosted through the Zoom platform. This is a publicly noticed meeting in the Florida Administrative Register to convene immediately following Citizens' Board of Governors Meeting. Those in attendance through the public link are automatically in listen only mode. Citizens' meetings are recorded with transcribed minutes available on our website.

I will proceed with the official roll call. **Chairman Beruff, Governor Becksmith, Governor Butts, Governor Hasner, Governor Knight, Governor Leznoff, Governor Lydecker, Governor Telemaco, Governor Thomas.** Chairman, you have a quorum.

Chairman Beruff: Thank you. Ms. Montero.

Jennifer Montero: Yes. In the very back of your books you should have the Audited Financial Statements for the Florida Market Assistance Plan (FMAP). The plan was created by statute in 1985 to assist customers who are unable to procure property & casualty insurance coverage from authorized insurers in the private market. The revenues went up. The revenues were \$260,550; that's an increase of \$4,050. Revenues consist of annual assessments on carriers at \$450 per year. We had 579 carriers this year: that's 9 more than last year. Expenses were \$217,023. That's an increase of approximately \$50,000. Debt income is \$43,527 and overall total net assets were \$814,314. The financials were prepared in accordance with the generally accepted accounting principles and in the opinion of FORVIS, who is the auditor, their report says, "In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of The Plan as of December 31, 2022 and 2021, and the changes in its net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America." So, it's a clean audit.

Chairman Beruff: Any questions? (*silence*) I'll entertain a motion to approve.

A motion was made and seconded to approve the FMAP Annual Report. All were in favor. Motion carried.

Meeting adjourned.
