

# Executive Summary

Claims Committee Meeting, September 12, 2023

Board of Governors Meeting, September 27, 2023

## Claims Quality Assurance Software

### Topic

This Consent Item seeks Board approval for a six (6) month extension of our existing contract with Inpoint, Inc. for Claims Quality Assurance Software. The requested extension would extend the contract through August 5, 2024. The extension is authorized pursuant to Citizens' Purchasing Policy and section 287.057, Florida Statutes.

### History

The requested six (6) month extension is an amendment to the existing, previously procured contract with Inpoint, Inc. for Claims Quality Assurance Software. Citizens' Purchasing Policy and section 287.057(13), Florida Statutes, authorize a six-month extension of the contract, subject to the same terms and conditions set forth in the original contract and any amendments.

Inpoint, Inc. was awarded the current contract under ITN No. 14-0025. The contract was executed effective February 6, 2015, with a five (5) year base term and two (2) optional 2-year renewals. The final renewal term will expire on February 5, 2024.

This request is a proactive measure to ensure sufficient time to transition to a new contract for Claims Quality Assurance Software. Citizens issued ITN No. 23-0012 for these services on July 10, 2023. The anticipated date to announce an awarded contract is November 7, 2023. The requested extension may not be necessary depending on the implementation required for the awarded solution.

Comprehensive quality assurance data is critical in measuring performance results, improving productivity, reducing costs/leakage, maintaining focus on continuous quality improvement and overall customer satisfaction. This requested extension is to ensure there is no interruption of this critical service. It is a safeguard to allow additional time as needed to stand up a solution awarded under ITN 23-0012.

This requested extension does not include a request for additional funds. The original December 10, 2014, Board approved spend of \$1,100,000 is sufficient to cover this extended term if necessary.

### Recommendation

The recommendation is listed in the attached Consent Item.
