

CITIZENS PROPERTY INSURANCE CORPORATION  
 Windstorm Protective Device – Proof of Compliance  
**COMMERCIAL FORM**  
 Class A, B, or C Devices

**APPLICANT OR INSURED'S NAME:** \_\_\_\_\_ **APPLICATION/POLICY NO.** \_\_\_\_\_

**DATE DEVICE(S) INSTALLED:** \_\_\_\_\_

**AGENT/APPLICANT:** The property address shown in F.3 must match the property address on the Application for Coverage to which this document pertains.

<p><b>Shutter Requirements:</b></p> <p><b>A.</b> All shutters at the location shown in F.2 of this form are designed to meet one or more of the following:</p> <ol style="list-style-type: none"> <li>1. Withstand wind pressure that at a minimum meets the American Society of Civil Engineers, July 1988 standards (ASCE 7/88), adopted by Dade County, Florida in September 1994.</li> <li>2. Withstand impact from wind-borne debris in accordance with – at a minimum – the standards set forth and adopted by Dade County, Florida in September 1994.</li> <li>3. Withstand wind pressure that at a minimum meets the ASCE-7/88 standards set forth in the South Florida Building Code, adopted in Dade County, Florida in August 1988.</li> </ol> <p><b>NOTE:</b> Roof ridge vents, soffit vents, and breakaway walls as defined and required by the National Flood Insurance Program (NFIP), and other non-shutters openings as required by the Dade County building code, do not have to be protected by shutters.</p> <p><b>B.</b> Or, as an alternative to Storm Shutter(s):</p> <ol style="list-style-type: none"> <li>1. The garage door(s) meets a “factor of safety of 1.5 or better, or the door is RETROFITTED to meet that factor and the door(s) meets the debris impact requirement noted in A.2.</li> <li>2. The exterior door meets both the wind pressure and debris impact requirements described in A.</li> <li>3. Window or other wall, and roof opening(s) are covered by permanently installed glazing material that, with respective window or other wall and roof opening structural components, meet both the wind pressure and debris impact requirements noted in A.</li> </ol>	<p><b>This Certifies to the Best of My Knowledge as the Insured:</b></p> <p><b>C.</b> All exterior wall and roof openings, such as doors, windows, skylights and vents, of my insured building or unit, if an apartment or condominium unit as described in the Declarations, are fully protected with STORM SHUTTERS of any style and material designed and properly installed to meet one or more of the criteria requirements listed in Section A.</p> <p><b>D.</b> Or, as an alternative to a STORM SHUTTER(s)</p> <ol style="list-style-type: none"> <li>1. I have foregone a garage door shutter as the manufacturer of the garage door(s) warrants that the door(s) meet a “factor of safety of 1.5” or better, or the door is RETROFITTED to meet that factor and the door(s) meets the debris impact requirement noted in A.2.</li> <li>2. I have forgone an exterior door shutter as the door(s) meets both the wind pressure and debris impact requirements described in A.</li> <li>3. I have forgone a shutter because the subject window or other wall, and roof opening(s) are covered by permanently installed glazing material that, with the respective window or other wall and roof opening structural components, meet both the wind pressure and debris impact requirements noted in A.</li> </ol> <p><b>E.</b> I will close and secure my shutters in event of a tropical storm or hurricane affecting my premise(s); and</p> <ol style="list-style-type: none"> <li>1. I have made arrangements for the purpose of closing and securing all shutters in my building or unit (if in a multi-unit building) when I am away from the premise or in my absence.</li> <li>2. I certify to the best of my information and belief, that the devices certified above are properly installed in compliance with the manufacturer’s installation recommendation and aforementioned building codes.</li> <li>3. “While your failure to comply with any of the above conditions in E.1 and 2 will not result in denial of a claim for loss caused by the peril of Hurricane, Other Windstorm or Hail, we reserve the right to discontinue the benefits of this endorsement, including any related premium credit, in the event of such failure.”</li> </ol> <p style="text-align: right; margin-right: 50px;">             _____ / _____              Signature of Applicant      Date         </p>
---	---

**F.** A signature of either a registered Architect, Regulations and Code “Qualifier” for a Manufacturing Company, Engineer, or Building Code Compliance Official is required to verify section A and/or B. Notary Public to affirm.
