

## What is the Depopulation Choices Program?

The Depopulation Choices Program provides Citizens personal lines policyholders with offers of coverage from insurance companies interested in removing their policies from Citizens and providing private-market coverage for their policies. All companies assuming policies from Citizens have been approved by the Office of Insurance Regulation (OIR).

The Depopulation Choices Program features increased policyholder choice and a simplified process designed to improve customer satisfaction with the depopulation process. Key features include:

- **More Choices** – You will be informed of all private-market assumption offers and can choose to accept coverage from the company you prefer or remain with Citizens.
- **Better Information** – You will receive coverage worksheets and estimated renewal premiums for all available assumption offers and your Citizens policy.
- **Increased Agent Support** – Your agent will receive information about offers available to you so they can help guide you, and, if requested, submit your choice to Citizens.

For additional information about your policy and available options, contact your agent or visit [www.citizensfla.com/depopulation](http://www.citizensfla.com/depopulation).
