Evaluation Committee Meeting. The average scores of the Evaluation Committee for Part II: Vendor Questionnaire will be used to determine the initial ranking of Vendors. In a public meeting, the Evaluation Committee will review the scores and establish a competitive range of Replies reasonably susceptible for award. Vendors within that range may be advanced to the negotiation phase of this ITN. In a public meeting, evaluators may change their initial scores based on their discussions with other evaluation committee members.

- 3.5 NEGOTIATIONS PROCESS:** The negotiations will proceed as follows:

- A. Citizens reserves the right to negotiate with Vendors sequentially or concurrently to determine the best value to Citizens. If the Negotiation Team negotiates sequentially, it may determine best value after negotiating with the highest ranked Vendor evaluated within

the competitive range. If the best value determination is not made, the Negotiation Team can then move to another Vendor within the competitive range.

- B. Vendors advanced to negotiations may be required to provide additional information and attend meetings as deemed necessary for the proper evaluation of Replies, including:
- i. comments/redlines to Attachment F, Citizens Terms and Conditions and any other documents to be included in an awarded contract;
 - ii. demonstration, or proof of concept, of the proposed software during which Citizens reserves the right to require attendance by particular representatives of Vendor;
 - iii. response to a detailed technology questionnaire (e.g., infrastructure, integrations, user experience, etc.);
 - iv. performance measures and/or service level expectations;
 - v. a comprehensive implementation statement of work and transition plan (e.g., timeline and phases, resource plan, dependencies on Citizens resources, system acceptance process, change control process, training plan, etc.);
 - vi. references;
 - vii. access to a testing environment for Citizens to test end user and overall functionality; and
 - viii. disaster recovery and business continuity plan.
- C. Vendors advanced to negotiations along with any partner, subcontractor, or other third-party that stores, accesses, or uses Citizens' data, may be required to submit a copy of their current Service Organization Controls (SOC) II Type 2 Report, ISO 270001 attestation, or alternative data security certification for review by Citizens.
- D. Pricing information received from the Vendor in their initial Reply will be addressed during the negotiation phase in determining the solution that offers best value.
- E. Before award, Citizens reserves the right to seek clarifications, to request Reply revisions, and to request any information deemed necessary for proper evaluation of Replies.
- F. Citizens also reserves the right to obtain additional information not provided by Vendor. Such additional information may influence negotiations and best value determination.
- G. Citizens reserves the right to cease negotiations with any Vendor without notice, and Citizens may elect not to issue a written request for a Best and Final Offer (BAFO) to all Vendors advanced to negotiations, at the discretion of the Negotiation Team. As part of the process during negotiations, Citizens may issue an additional written request BAFO(s) to one or more of the Vendors advanced to negotiations. The BAFO will typically contain:
- i. a revised Scope of Services;
 - ii. all key business terms and conditions to be included in final contract; and,
 - iii. a final price offer.

If BAFOs are requested, the BAFOs will be delivered to the Negotiation Team for review and shall remain a firm offer(s) for ninety (90) calendar days, not permitted to be withdrawn by a Vendor. Thereafter the Negotiation Team will meet in a public meeting to determine which offer constitutes the best value to Citizens based upon the selection criteria set forth in Section 3.6 below.

- H. Citizens does not anticipate reopening negotiations after receiving the BAFOs but reserves the right to do so if it believes doing so will be in its best interests.

- I. Citizens reserves the right to utilize subject matter experts and other technical advisors to assist the Negotiation Team with reviewing the Replies. These persons will not be deemed to be members of the Negotiation Team.

3.6 SELECTION CRITERIA: The focus of the Negotiation Team will be on selecting the Vendor that provides the best value to Citizens. The best value determination will be based upon the requirements of this ITN, Vendors Reply, the Negotiation process, and how the Negotiation Team fits this information into the following selection criteria:

- A. The quality, design, approach, workmanship, prior relevant experience, and demonstrated ability of the Vendor to effectively provide the Services and/or meet the goals of this ITN;
- B. Overall cost and approach of implementation;
- C. The price and total cost of ownership for the Services;
- D. The reasonableness of the contractual terms, including service level agreements;
- E. Vendor's ability to track performance and quality assurance metrics; and
- F. Vendor's Disaster Recovery and Resiliency Plan.

The Negotiation Team may modify or add to this selection criteria provided that such changes are disclosed to Vendors engaged in such negotiations. The weight given to each criterion may vary among Negotiation Team members. The Negotiation Team members are not required to numerically score the Vendors; the team's recommendation for award (i.e., the intent to award) decided by a majority vote of the Negotiation Team members. The Negotiation Team shall not be bound by the scores of the evaluation committee in making this recommendation.

3.7 VENDOR RESPONSIBILITY REVIEW: In accordance with Section 287.057, Florida Statutes, a contract pursuant to this ITN can only be awarded to a "responsible vendor." A responsible vendor is a vendor who demonstrates financial stability, and who has the capability in all respects to fully perform the contract requirements and the integrity and reliability that will assure good faith performance under a Contract. Citizens may determine Vendor responsibility either before or after a Reply is evaluated, provided that a final determination will be made before Citizens enters into a contract with awarded Vendor.

Citizens will determine Vendor responsibility based on (i) information provided in Vendor's Reply; (ii) information obtained from independent research including information obtained from third parties or the internet; and (iii) any clarifications or supplemental material provided by Vendor at Citizens' request. To this end, Citizens may request Vendor to provide recent financial information, disclose potential conflicts of interests, and disclose any history of legal actions (including license suspensions, criminal records, administrative complaints, etc.). Citizens may also require responsibility review of additional entities as determined appropriate by Citizens, such as a separate entity proposed by Vendor for implementation services. Vendor shall provide prompt written notice to Citizens if, at any time prior to contract execution, a Vendor learns that the material information provided by Vendor in connection with this determination was inaccurate when submitted or has become inaccurate by reason of changed circumstances.

3.8 CONTRACT TERMS AND CONDITIONS: Citizens anticipates negotiating contract terms and conditions using (i) Attachment F, Citizens Terms and Conditions; (ii) the proposed contract Vendor submits during the course of the ITN; and (iii) terms and conditions agreed upon during negotiations.

Vendors are not required to submit proposed edits to Attachment F until the negotiation phase of

this ITN. However, any questions concerning this process or particular contract provisions may be raised in either the Pre-Bid Conference, the open question period, or during the negotiation phase.

Vendors receiving an award under this ITN will be required to sign a final contract that includes terms and conditions negotiated in accordance with this Section. Vendor shall have no vested right to do business with or receive payment from Citizens until a contract is signed by all parties. Unless the contract specifically provides otherwise, the execution of a contract does not guarantee Vendor will receive any particular volume of business from Citizens.

If a Contract cannot be reached with the intended awardee, or if a Contract is terminated for cause by Citizens or terminated without cause by a Vendor, Citizens reserves the right to enter into a Contract with the next-ranked eligible Vendor under this ITN. If Citizens fails to contract with the next-ranked eligible Vendor it may continue in this manner sequentially through all eligible Vendors until a Vendor willing to perform at acceptable pricing, terms and conditions is found.

3.9 PROTESTS: There are two conditions under which this ITN may be challenged:

- A. there may be a protest of the terms, conditions, and specifications contained in the ITN, including any provisions governing the methods for ranking bids, proposals, replies, awarding contracts, reserving rights for further negotiations, or modifying or amending any contract. **A notice of intent to protest, made pursuant to this condition, must be filed in writing with Citizens' Clerk within 72 hours after Citizens posts notice of the applicable ITN term, condition, or specification (excluding Saturdays, Sundays, and state holidays); or,**
- B. a person adversely affected by Citizens' decision or intended decision to award a contract pursuant to Sections 287.057(1) or (3)(c), Florida Statutes, may challenge the decision. **A written notice of intent to protest, made pursuant to this condition, must be filed in writing with Citizens' Clerk within 72 hours after Citizens posts notice of its decision or intended decision (excluding Saturdays, Sundays, and state holidays).**

Questions to the Procurement Officer do not constitute formal notice of protest.

After the timely filing of a written notice of intent to protest, the protestor must then file a formal written protest. The formal written protest must be filed within 10 calendar days after the date of the notice of protest is filed. The formal written protest must state with particularity the facts and law upon which the protest is based and comply with Citizens' Procurement Protest Procedure (Section 5). Any protest concerning this ITN shall be governed by Section 627.351(6)(e), Florida Statutes, and Citizens' Procurement Protest Procedure, located at: <https://www.citizensfla.com/documents/20702/42664/Procurement+Protest+Procedure/816d9bfb-e636-40ec-a9f5-34873d053bf7>.

Failure to timely file an intent to protest or timely file a formal written protest, within the time prescribed pursuant to 627.351(6)(e), F.S., constitutes a waiver of proceedings. Failure to post the bond or other security required under Citizens' Procurement Protest Procedure (Section 6) within the time allowed for filing a bond shall constitute a waiver of proceedings.

The address of Citizens' Clerk for the filing of the notice of intent to protest or the formal written protest is as follows. If filing via email is not possible, then proof of service must be through the use of certified mail return receipt requested or hand delivery with proof of receipt. Service through certified mail does not extend the 72-hour or ten (10) calendar day period.
