Market Accountability Advisory Committee – Citizens Consumer Member

Topic

Per Section 627.351(6)(c)4.b., Florida Statutes, the board must appoint one consumer to the Market Accountability Advisory Committee who is insured by Citizens at the time of appointment.

Background Information

This role was previously filled by Brian Hodgers, who recently stepped down. The staff recommends the appointment of Julio Dominguez.

Julio Dominguez has been a Citizens policyholder since 2004 and brings a wealth of experience as the President and Agent of American Trust Insurance, where he has demonstrated exceptional leadership for over 20 years. Beyond his professional expertise, he is deeply committed to community service, having served in key roles with organizations such as the Rotary of South Miami and the Latin American Association of Insurance Agencies. His business acumen and dedication to civic engagement have made a lasting impact, including his contributions as Treasurer and board member of the Rotary Foundation. With his vast experience as an agent, his solid understanding of Citizens, and his personal connection as a Citizens customer, we look forward to Julio's participation and contribution.
