

Principal Authorization Form

To register on a principal’s behalf, lobbyists must provide a signed copy of this form for each principal they are authorized to represent before Citizens. Lobbyist registrations are not considered complete until this form has been signed and submitted to Citizens.

Instructions

1. Print the lobbyist and principal names exactly as they appear on the lobbyist’s registration.
2. Provide the North American Industry Classification System (NAICS) six-digit numerical code that most accurately describes the principal’s main business. NAICS codes are available on the U.S. Census Bureau website at www.census.gov/eos/www/naics/.
3. Once the principal representative has signed and dated the form, the lobbyist must attach the form to their online registration.

Adding or Cancelling an Authorization

Lobbyists can add or remove a principal from a current registration by logging in to their myLobbyist Account on the Citizens website. *A completed Principal Authorization Form must be provided for any new principal added to the lobbyist’s account.*
