CONSENT ITEM

Board of Governors Meeting, September 26, 2018

PURPOSE/SCOPE	<p>Purpose: To purchase an aggregate of \$20 million in Directors & Officers Liability Insurance coverage with a \$225,000 deductible for the 2018/2019 policy term.</p> <p>Scope: Directors & Officers Liability Insurance is a liability insurance payable to the directors and officers of a company, or to the organization itself, to cover damages or defense costs in the event they suffer such losses as a result of a lawsuit or alleged wrongful acts while acting in their capacity as directors and officers for the organization. The principal protections against liability for Citizens and its Board members, officers, and employees are statutory immunity and indemnification afforded under Citizens' Plan of Operation. Directors & Officer Liability Insurance reimburses losses and defense costs for covered claims when individuals are not indemnified.</p>
PROCUREMENT METHOD	<p>On October 26, 2016, Citizens issued invitation to Negotiate (ITN) No. 16-0023 for Business Insurance Agent(s) of Record. On March 29, 2017, the Board of Governors approved Arthur J. Gallagher & Co. as its vendor from three vendors responding to Competitive Solicitation (ITN) No.16-0023.</p> <p>The Agents of Record solicit and collect quotes and respective coverages from numerous carriers and submit to management for evaluation. The quotes are compared and analyzed for breadth of coverage, stability of underlying carrier, quality of service, and pricing. Recommendations are submitted by the General Counsel for selection.</p>
RECOMMENDATION	<p>It is recommended that Citizens' Board:</p> <ul style="list-style-type: none">(a) Approve the purchase of the 2018/2019 Directors & Officers Liability Insurance renewal policy with Starr Insurance Company, and with excess coverage renewed with Argo and AIG as provided above for total coverage of \$20 million with a total annual premium of \$218,658; and(b) Authorize staff to take any appropriate or necessary action consistent with this Consent Item.
