High Volume Counties Based on Total Insured Value

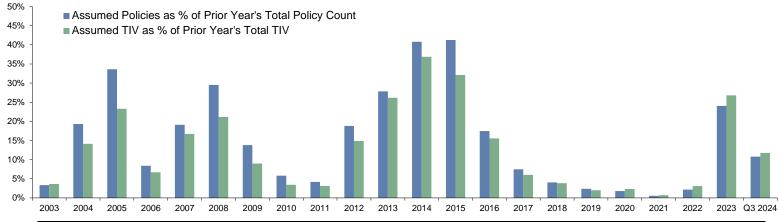

Notes:

1) Total Insured Value for personal residential policies includes Coverages A, B, C and D, except for DP-1/MDP-1/MDP-1 policies, which include Coverages A and C only. All commercial policy forms include building coverage, other structure coverage and business personal property.

2) Excludes takeout policies

3) For commercial policies with buildings in multiple counties, policy count and premium are assigned based on the location of the first risk listed on the policy. Total Insured Value is reported at the risk level.

Notes:

 Total Insured Value for personal residential DP-1/MDP-1 policies includes only Coverages A and C, which is the liability for these policy types as provided in the Rating Manual. All other personal residential policy forms include Coverages A, B, C and D. Commercial policy forms include building coverage, other structure coverage, and business personal property. Commercial non-residential multi-peril policies no longer include business income/extra expense beginning with June 2012 renewals and May 2012 new business.

2) Excludes takeout policies

3) Within the commercial data, commercial non-residential wind-only (CIW) counts are policy counts; building counts are unavailable. The product was phased out during 2009, with no policies remaining inforce as of 12/31/09. The commercial non-residential multi-peril program was introduced in November 2008.

Notes:

1) Commercial policy forms include building coverage, other structure coverage, and business personal property. Commercial non-residential multi-peril policies no longer include business income/extra expense beginning with June 2012 renewals and May 2012 new business.

2) Excludes takeout policies

3) Within the commercial data, commercial non-residential wind-only (CIW) counts are policy counts; building counts are unavailable. The product was phased out during 2009, with no policies remaining inforce as of 12/31/09. The commercial non-residential multi-peril program was introduced in November 2008.
