- For nonweather water-related losses, REM will be limited to \$3,000 and applies to protect Coverage A, Coverage B and Coverage C property from further damage.
- A \$10,000 limit on coverage is introduced for covered losses caused by accidental discharge of water, as described in the policy.

Note: For HO-6 and DP-3 condominium and tenant contents policies, additional limits exceeding \$3,000 for REM to protect the property from accidental discharge of water no longer are available, except when approved by Citizens.
