

Additional Interest Updates

noviembre 03, 2016

As Citizens continues to improve mortgage company name and address records, we have begun updating policies with the most accurate company information.

Any updates will be applied to renewals and nonrenewals, effective immediately. Review all renewal information with your customers to verify accuracy and to determine whether any other changes are needed.

The following note will be added to affected renewal policies:

Subject: Additional interest update at renewal

Text: An automatic update was made, effective at renewal, to ensure the additional interest(s) reflect the correct name and address. (US21702)

Additional interest updates will be outlined on the *Policy Change Summary* page of the renewal offer.
